

# The largest Olé expansion in 15 years

Anticipating customer needs from a global service and merchandising perspective, Olé, continues to strengthen their leading upscale supermarket operator position with the largest expansion period in their 15 year history.

retail/iQ created next generations of the Olé' implementations

Continuing their customer reach with selected new location opportunities throughout tier 1, 2 and 3 cities China Resources Vanguard, again enlisted rkd retail/iQ to create the next generations of the Olé' implementations.

r/iQ developed Olé' from inception through all iterations with more than 52 stores in operation, construction or planning over the last 17 Years

we developed more than 52 Olé' stores through out china
